Sales information

Positioning

- Smallest grip circumference and powerful 720 watts

User benefit

- Smallest grip circumference (176 mm) compared to other angle grinders in its wattage class for particularly comfortable working
- Powerful 720 watt motor and a weight of only 1.9 kg for continuous use
- Flat gear head for comfortable working, even in tight spaces

Other features

- Restart protection - prevents the tool from automatically starting up after a power cut
- Specially developed air inlets ensure optimum motor cooling for a longer lifetime
- Anti-rotation protective guard for a high level of user protection
- Bosch safety switch ensures controlled switching-on of the machine – for greater user protection
