Power tools for trade & industry

Test leads

MS 90

Flexible measuring strips for precise electrical work

The most important data

Order number 1 600 A03 8D2

Technical data

Additional data

AC current	10 A
Safety class	CAT IV 600 V / CAT III 1000 V
Safety class with removed caps	CAT II 1000 V
Measuring strips cable length	90 cm
Cable Break Detection	no

BOSCH

Invented for life

Product data sheet

Power tools for trade & industry

Advantages:

- Double-insulated silicone coating remains its flexibility even in cold environments
 - Removable caps enable precise measurement of smaller components
 - Rubber coating provides a secure grip and safety during use
-
