

CRIMP TOOL SUIT RJ11 RJ12 RJ45

Part Number: 06CT468-1

Features

- Crimps RJ11, RJ12 and RJ45
- Parallel crimping action for quality crimps
- Built-in ratchet to ensure crimp is complete before tool releases
- Proven industry standard tool

Product Description

Professional Crimp Tool for 4, 6 and 8 Way

The Professional Crimp Tool can crimp RJ11, RJ12 and RJ45 and features a built in ratchet to ensure that the crimp is complete.

The parallel crimping action guarantees a quality crimp and the precision hardened dies and ergonomic handles make this a proven industry standard tool.

In support of our policy of continuous product improvement we reserve the right to change materials and specifications without notice. Drawings, where used, are not to scale. All dimensions are in millimetres and sizes given are approximate. Where possible, technical MSDS data sheets are made available on the website. All products should be installed and used in accordance with manufacturer's instructions provided. Warning: products may be the subject of registered designs and patents.
