

ME-C

Features

TECHNICAL INFORMATION

Surface treatment	Burnishing
Crimping geometry	hexagonal

WEIGHT AND DIMENSIONS

Dimensions	43.4x35x21mm
-------------------	--------------

CLASSIFICATION AND DATA ORDERING

Customs code	82079099
---------------------	----------

MATERIAL COMPOSITION AND TREATMENTS

Material	Special hardened steel
-----------------	------------------------

LOGISTIC

Unit in minimal packaging	1PCE
Unit in standard packaging	1PCE
