

CABLE LUBE

Slippery Stuff is a high-performance lubricant which provides maximum tension reduction in high stress electrical and communication cable pulling operations.

Features:

- Compatible with all cable types
- Cleans up easily with soap and water
- Remains stable over wide temperature range – usable from -2°C – 82°C (28°F – 180°F)
- Dries to a semi-fluid that won't clog conduit
- Easy to apply by hand, brush, or pump
- Environmentally safe, non-toxic, non-flammable and non-corrosive
- SDS sheet available upon request
