Features & Benefits T4455 Cabinet Cross-Key 12 in 1, utilises the well-known and popular Cross-key design and is the evolution of our popular 495002 model. Suitable for all common cabinet closures found in Electrical engineering, gas and water supply; it offers users even more versatility with three key heads, incorporating double functionality. This improvement doesn't sacrifice the overall size or aesthetic, meaning users will welcome the additional functionality in a tried and tested design. Manufactured from Die-Cast Zinc, the T4455 is tough and durable, well suited for industrial applications. The key comes with a chain mounted, screwdriver bit adapter and double ended bit as standard.

Warranty C.K products are guaranteed for 1year against imperfect materials or workmanship. Damage caused through normal wear and tear or resulting from inappropriate use, is not covered.
