

DCD706D2-GB

12V XR Brushless Sub-Compact Hammer Drill Driver - 2 X 2Ah

The DCD706 is DEWALTs smallest ever hammer drill driver, with a length of just 168mm, 17% shorter than the previous generation. The efficient brushless motor provides 57.5Nm of torque as well as 15% more runtime compared with the previous generation. For the first time ever on a DEWALT 12V battery pack, you can now see how much battery is remaining using the state of charge indicator.

Selling Propositions

- New 12V tools and batteries are 100% compatible with your existing 10.8V products
- 29mm shorter than previous generation
- Bright LED light on tool foot for high visibility in low light situations
- State of charge battery pack allows users to quickly check battery level
- Efficient brushless motor gives 15% more runtime than previous generation
- Only 1kg (tool only) for ultimate portability and ease of use
- 25500 BPM hammer mechanism for efficient masonry drilling
- 10mm single sleeve keyless metal chuck with automatic spindle lock
- 15 position adjustable torque control for consistent screw driving into a variety of materials

Standard Equipment

- Belt Hook (1)
- 12/18V XR 2A Charger DCB112 (1)
- 2Ah XR Li-Ion battery packs with state of charge indicator (2)
- TSTAK compatible kitbox (1)

Specifications	
Beats per Minute	25500 bpm
Battery Capacity	2.0 Ah
Battery Voltage	12 V
Battery Chemistry	Li-Ion

Warranty specifications

- Dewalt European Warranty 3 years (subject to registration)
