

DCE530N-XJ

18V XR Heat Gun - Bare Unit

The DCE530 is our first dedicated cordless heat gun designed for many users and applications on site such as shrinking electrical tubing, bending PVC pipes, drying materials, loosening nuts and bolts and many more. Compatible with all 18V XR batteries the DCE530 features a compact size, 2 temperature settings with a maximum of 530°C to allow for maximum versatility in applications and a lock on switch to improve comfort in longer jobs.

Selling Propositions

- DCE530 XR Heat Gun reaches a temperature of 530°C on a high setting and 290°C on a low setting
- Select a high or low temperature setting with the 2-set temperature selector, optimising temperature for specific applications
- Keep the tool switched on using the lock-on button to improve comfort for longer applications and hands-free use
- The trigger with a built in lock-off switch prevents an accidental start up during transportation and storage, reducing risk of thermal accidents
- A built-in LED light illuminates the work place and improves visibility in small, confined spaces
- Fully compatible with all DEWALT 18V XR batteries
- Supplied with two types of applicator nozzles (reflector and surface)

Standard Equipment

- DCE530 Cordless Heat Gun (1)
- Reflector Nozzle (1)
- Surface Nozzle (1)

Warranty specifications

- DEWALT 3 year European PT Guarantee (subject to registration)
