

DCN890P2-GB

18V XR Brushless Concrete Nailer - 2 X 5Ah

The DCN890 concrete nailer has a nail range of 13mm to 57mm and can drive into both steel and concrete Fully compatible with the DeWALT® XR 18V platform, the 5.0Ah 18 volt lithium ion battery delivers high performance, long life and maximum runtime It is also more reliable than gas tools with less cleaning and servicing, and the battery can work at lower temperatures with more consistent power delivery The brushless motor reduces tool size whilst maximising power delivery and the specially designed compact drive components give quick acceleration to fire the first nail The system includes 3 specifically designed nose pieces: DCN8902 (magnetic) and DCN8903 (non-magnetic) for clips; DCN8904 (drywall) for tracking It also includes the DCN8905 extension pole for fastening into ceilings and hard to reach areas. With 2 X 5Ah batteries, charger and kitbox.

Selling Propositions

- Gas-free operation eliminates the need for fuel cells and provides a consistent, powerful alternative that operates on the DEWALT 18V XR battery platform
- Brushless motor reduces tool size whilst maximising power delivery and providing extended runtime
- Variable power settings allow for pin depth adjustment and substrate versatility
- Tool-free design for fast adjustments and easy stall and jam release

Specifications	
Nail Length	57 mm
Nail Diameter	3.7 mm
Magazine angle	15.0 °
Magazine capacity	30.0 Nails
Power Source	Cordless
Battery Capacity	5.0 Ah
Weight	4.2 kg
Weight (incl. battery)	4.8 kg
Sound Power Level Lpa	97.5 dB(A)
Sound Power Uncertainty	3.5 dB(A)
Sound Pressure Level Lpw	88.5 dB(A)
Sound Pressure Uncertainty	3.5 dB(A)
Vibration emission value ah	2.8 m/s²
Uncertainty K 1 (Vibration)	1.5 m/s²
Box	No
Blister Pack	No
Pack Quantity	1.0
Substrate	Concrete
Kit Box / Case	Yes
