

DCS571N-XJ

18V XR Brushless 115mm Compact Circular Saw - Bare Unit

The DCS571 compact cordless circular saw is perfect for cutting sheet materials such as OSB, flooring, and cement board* as well as cutting access panels in floors and cutting roof battens and many other applications on site. A DEWALT brushless motor and 18V XR battery offers a 38mm maximum depth of cut and 25mm at 45°, while the built in dust blower and Air Lock compatible dust port remove debris from the cut line. Other features include an electronic brake to ensure the blade is stopped quickly and safely, tool free depth and bevel adjustment and a rafter hook. *Cutting Cement Board requires an optional PCD blade.
