

DT70710-QZ

13 Piece Extreme 2 Metal Drilling Set

13 piece Modular, stackable small tough case. Designed for secure storage of accessories. Clear lid for easy identification. Easy bit removal and replacement. Bits securely lock into place. Use the locking system to connect the cases together, and securely stack on top of the medium Toughcase. Place into the accessory caddy for TSTAK compatible connection.

Selling Propositions

- Small Tough Case
- System Set
- Connectable Case allows multiple sets to be stacked and locked together.
- TSTAK compatible to hold all your accessory sets in one place.
- Compatible with the TSTAK system via the Caddy and Large Tough Case.
- High Speed Steel for increased wear resistance and longer life.
- Strong Central Core - tapered web greatly reduces breakage.
- No-Walk Tip - easy start even on curved surfaces.
- No-Slip Shank - 3 flat sides eliminates slipping in the chuck (diameters 5mm and above).
- Recessed cutting wings - cleaner, more accurate, burr-free holes.
- Gold Ferrous Oxide Coating - prevents overheating for longer bit life.
