

DT70728-QZ

19pc Black&Gold Metal Drilling Set

Modular, stackable small tough case. Designed for secure storage of accessories. Clear lid for easy bit identification. Easy bit removal and replacement. Bits securely lock into place. Use the locking system to connect the cases together, and securely stack on top of the medium Toughcase. Or, place into the accessory caddy for TSTAK compatible connection.

Selling Propositions

- Small Tough Case
- System Set
- Connectable Case allows multiple sets to be stacked and locked together.
- TSTAK compatible to hold all your accessory sets in one place.
- Compatible with the TSTAK system via the Caddy and Large Tough Case.
- High Speed Steel - wear resistance and longer life.
- Toughcore - tapered central core increases stability and durability, minimising breakage.
- Speed Tip - fast start, precise centering and guidance. No walking including on curved surfaces.
- No Spin Shank - 3 flat sides eliminates slipping in the chuck.
