### **10pc Mixed Pozi 57mm Impact Ready FLEXTORQ Screwdriver Bit Keyring**

10pc Mixed Pozi 57mm Impact Ready FLEXTORQ Screwdriver Bit Keyring

#### **Selling Propositions**

- Extreme Impact Ready FLEXTORQ screwdriver bits
- Optimised tip geometry for full fitment in the fastener and reduced cam-out
- Full-fit head eliminates wobble and screw head rounding
- Optimised torsion zone maximises bit life and turning force even in the most demanding applications
- Contoured area of the bit flexes with the torque of the impact driver to absorb torque peaks and protect the bit for longer life

#### **Standard Equipment**

- FLEXTORQ 57mm: PZ1 x2, PZ2 x6, PZ3 x2

#### **Warranty specifications**

- Not Applicable (Statutory Rights Not Affected)
