DEWALT® Metal Folding Sawhorse - Twin pack

DEWALT® Metal Folding Sawhorse - Twin pack

Selling Propositions

- Robust metal structure - enables capacity load of 2000 lbs per pair
- Clamping - top metal bars allow to clamp on the sawhorse using trigger clamps (for sawing etc)
- 2 X 4 recess for lumbers to create jobsite table (with 2 sawhorses)
- Foldable - quick, compact and ergonomic folding for portability and easy storage
- V-groove - to work with pipes and small wood pieces
- Flip handle - for easy carrying
- Rubber pads - enable high friction and stability (located both on the top and legs)
- Side latches - provide optional use to carry 2 sawhorses together

Standard Equipment

Warranty specifications
