Cordless Air Compressor

PRESSITO 18/25

Item No.: 4020420

Ident No.: 21011

Bar Code: 4006825667325

The Einhell compressor PRESSITO 18/25 is part of the Power X-Change family and is powered by an 18 volt battery. With a high-pressure and a low-pressure pump as well as a low-pressure suction option and carrying handle, it is the handy and functional companion for on the go and at home. A pushbutton switch enables inflation (high pressure) without pressure preset. Actual and target pressures can be read in bar, psi or kPa on the two-line display. When the desired pressure is reached, the pump switches off automatically. The 3-piece adapter set for tyres, balls and the like as well as the hoses are stored in integrated compartments. Delivery does not include battery or charger (sold separately).
