

Product Code: PSD212

Description: 12v DC Hardwire Optical Detector with Relay Base

General Information

Dimensions ø102mm x 48mm (Including Base)

Type Conventional

Wire Gauge 0.4mm - 2.0mm TWIN

Weight (Including base) 160g

Warranty 3 Years

Power

Operating Voltage 9 - 30VDC

Standby Current @ 12v < 50µA

Alarm Current @ 12v 29mA

Outputs

Relay 30V/0.5A

Testing

Test Facility Simulated Smoke

Environment

Ingress Protection IP30

Relative Humidity Resistance (93±3)% @ 40°C

Operating Temperature -10°C to 60°C
