ETHOS Test Instruments

DOWNLOADING PAT TESTER

ETHOS 9700

PLUG AND PLAY DOWNLOADING PAT TESTER

A great value 'plug and play' PAT tester with a comprehensive range of tests and advanced data transfer and storage features. Designed to enable simple, professional and fast PAT testing, with remote data transfer, USB upload/download and a memory to store up to 10,000 complete test sets.

With point-to-point measurement, fast boot-up and a risk-based retest calculator to quickly determine suggested retest periods, Ethos 9700 is the ideal companion for high volume testing.
