

RAPID RESPONSE 250

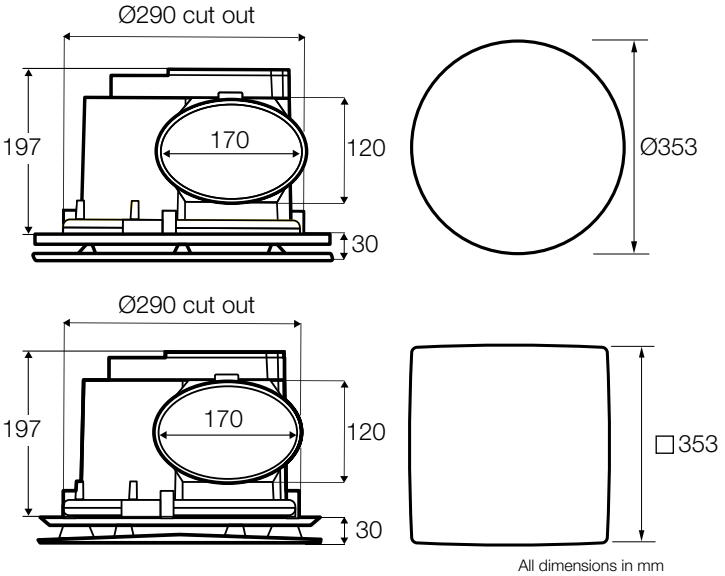

DUCTED CEILING EXHAUST FAN WITH GRILLE

3* YEAR WARRANTY | RAPID INSTALL | POWERFUL AIR FLOW | IPX4

The Rapid Response 250 series ceiling mounted header box fan comes with either a round or square grille. It features quiet operation, powerful air flow performance and a modern sleek look. It includes a fully optimised inlet cone and centrifugal impeller that maximises air pressure and ensures rooms are quickly cleared of steam and unpleasant odours. It includes high strength swing clips and a removable spigot that makes it very easy to install into a standard 250mm round fan cut out.

- Advanced impeller and housing design provides powerful air flow and minimises noise.
- Available with a modern square or round grille.
- Low resistance non-return backdraft damper maximises air flow performance.
- Can be retrofitted into a standard 250mm round fan cut out.
- Fitted plug and lead simplifies installation.
- Run-on timer models feature an NCC2022 compliant** 3-15 minute adjustable run-on timer.
- Includes high quality sealed for life ball bearings.
