FSA3N & FSA3NW

CONVENTIONAL 32 TONE DEEP BASE SOUNDERS

The FSA3N & FSA3NW sounder is ideal for both the fire and security markets, with EN54 approved and anti-tamper versions optional. The FSA3N & FSA3NW is complete with 32 tones plus a selectable override tone and supplied as standard with a deep IP65 rated base. The use of the industry standard grub screw allows the product to be locked in place providing compliancy with British and European standards.
