

# HSCEH-RF Radiant Heaters - Wireless Controlled Specification Sheet

## Product Description

Ideal for medium to high level spot heating. These long-wave infrared heaters gently radiate energy directly onto the area and personnel to be heated.

## Key Features

- 1.5kW or 3kW rating
- Wireless controlled by separately purchased RF controller
- One RF controller can operate multiple RF heaters
- Choice of RF controllers:
  - HSPBRF: Run-back timer and thermostat
  - HSVTRF: Run-back timer and adjustable thermostat
  - HSTIRF: 7-day timer and adjustable thermostat
- No distracting light
- High radiant efficiency
- Fitted guard included
- Suitable for wall or ceiling mounting\*
- Angular and directional fixing bracket included
- 3kW model supplied with 1m of high temperature cable
- Finished in Dove White

\* Must be angled down at 45°

## General Specification

| Model No.   | No. of Lamps | Rec. Wall Mounting Height (m) |
|-------------|--------------|-------------------------------|
| HSCEH7115RF | 1            | 2.3                           |
| HSCEH7230RF | 2            | 2.7                           |

## HSPBRF & HSVTRF Features

- 3 operating modes: Basic, Timer & Temperature Control
- Choice of 3 time periods in Timer mode: 5, 15 or 30 minutes
- Comfort and setback temperature settings
- Easy-to-read digital display and temperature control buttons with HSVTRF

## HSTIRF Features

- 7-day timer with electronic thermostat
- 3 heating periods per day
- 4 operating modes: Programme, Boost, Setback & Comfort
- Comfort and setback temperature settings
- Electronic lock

## Dimensions

| Model No.   | Rating kW | Height mm | Depth mm | Width mm | Weight kg |
|-------------|-----------|-----------|----------|----------|-----------|
| HSCEH7115RF | 1.5       | 230       | 120      | 450      | 3.5       |
| HSCEH7230RF | 3         | 359       | 120      | 450      | 6.7       |
