

Balearic Surface Occupancy Detector

WHITE

Features

- 360° detection
- Individual settings for time and lux
- Surface mounted
- No minimum load
- Besa box mountable

Technical information

Detection distance:	6m Max
Detection range:	120° side view 360° top view
Ambient light:	<3-2000 Lux
Time delay:	Min 10 sec Max 15 min
Maximum load:	500w LED
IP rating:	IP44
Voltage:	110-240v
Installation Height:	2.2m - 4m

Product code: HSODS
