This high quality IP68 rated LED lighting kit utilises the latest energy efficient Surface Mount LED technology to provide a superb lighting effect whilst using the minimum electricity. Generally used outdoors for decking but also with indoor applications for installation in ceilings, stairs or plinths, it is used in domestic, commercial or retail installations to illuminate:

- Soffits
- Paths and Walkways
- Restaurants
- Decking areas
- Stair risers and strings
- Kitchen unit plinths
- Patios
- Bars
- Dance floors
- Ceilings
