LEGRAND

Legrand Floor Box 37mm x 22mm 4 Cut-Out Angled Plate 100mm

REF. SP3404 | EAN. 5012774585916

> Link to e-catalog product sheet

Description

Plates to fit 1, 2 and 3 compartment boxes are all 100 mm wide | 4 compartment plates are 75 mm wide | Non-standard sockets have a round earth pin | Due to overall depth, RCD sockets and wave type data plates will NOT fit in the flush floor and shallow flush floor ranges (Cat. Nos. FFO/AFS). | When using with underfloor duct systems (Cat. No. AFU) the outlet box must be raised by 8 mm from the lowest point to allow for wiring
