Blower attachment UB400MP

191F65-0

For EX2650

Blower attachment for 4-stroke blowers, 51,2 m/s, 15,4 m³

Due to the low weight and high blowing force, paths and terraces can be quickly and easily cleared of leaves, grass clippings or snow.
For use with the DUX60 & EX2650

Technical specifications

Product Dimensions (L x W x H):	810 x 175 x 185 mm
