

## 100A Single Phase Type AC 4 Pole 6kA 100mA RCD

Product Ref: **100A4P100**

### Technical Features:

- Insulated DIN rail clips
- Sensitivity 100mA (6kA)
- Test 'T' operating test button on the front panel
- Fault tripping indicator window

## Product Specification

|                            |                   |
|----------------------------|-------------------|
| Voltage Rating             | 400V              |
| Current Rating             | 100A              |
| Weight                     | 0.342kg           |
| Incoming Terminal Capacity | 25mm <sup>2</sup> |
| Number of Modules          | 4                 |
| Number of Poles            | 4 Pole            |
| Outgoing Terminal Capacity | 25mm <sup>2</sup> |
| Short Circuit Rating       | 6kA               |
| Tripping Sensitivity       | 100mA             |
| RCD Type                   | AC                |
| Mounting                   | Din Rail          |
| Finish                     | Smooth            |
| Material                   | Plastic / Metal   |
| Colour                     | Grey/Blue         |
| Compliance                 | UKCA, CE          |
| Guarantee                  | 1 Year            |
| Standards                  | IEC/EN 61008-1    |
| Depth                      | 66mm              |
| Height                     | 82.5mm            |
| Width                      | 72mm              |

Errors and omissions excepted (E&OE). All information is subject to change without notice and is correct at the time of print. Refer to issue number and date below.
