

No Tool Circuit Breaker Lockout

Product Ref: **CB16**

Technical Features:

- Install quickly and easily without any tools
- Featuring a compact universal design that fits a wide variety of single, double and triple handle circuit breakers
- Easily attached with no modifications to the panel or circuit breaker
- To install, the user simply puts the circuit breaker handle to the 'OFF' position, places the lockout over the handle, tightens the set screw by hand, rotates the toggle and applies a tag and padlock (sold separately)
