

## 25mm Fixed Gland for GSF / GSFB Ranges of Flexible Conduit

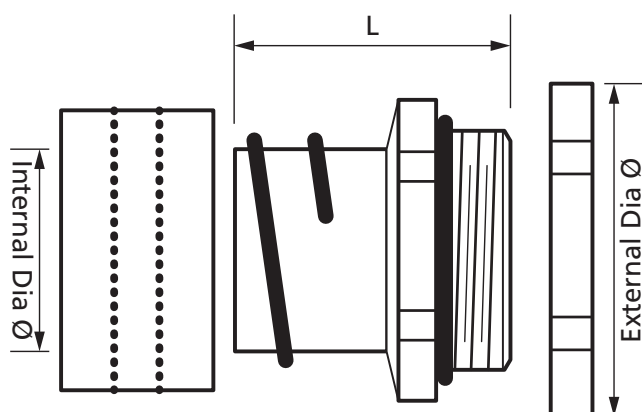

Product Ref: **GSM25**

### Technical Features:

- Design to use with MCG PVC Galvanised and Standard Galvanised Conduits
- Material: Brass Nickel Plated
- Temperature Range: -40 - + 105°C
- Standard: EN61386
- IP54 rated
- Available Colour: Nickel Platted

### Product Specification

|                             |                     |
|-----------------------------|---------------------|
| IP Rating                   | IP54                |
| Weight                      | 0.034kg             |
| Operating Temperature Range | -40 to 105°C        |
| Size                        | M25                 |
| Colour                      | Nickel Plated       |
| Material                    | Nickel plated brass |
| Compliance                  | UKCA, CE            |
| Guarantee                   | 1 Year              |
| Standards                   | EN 61386            |
| Type                        | Fixed               |
| Diameter Ø                  | 33mm                |
| External Diameter Ø         | 33mm                |
| Internal Diameter Ø         | 18mm                |
| Length                      | 21mm                |
