

## 25mm PVC Conduit Gland complete with Locknut

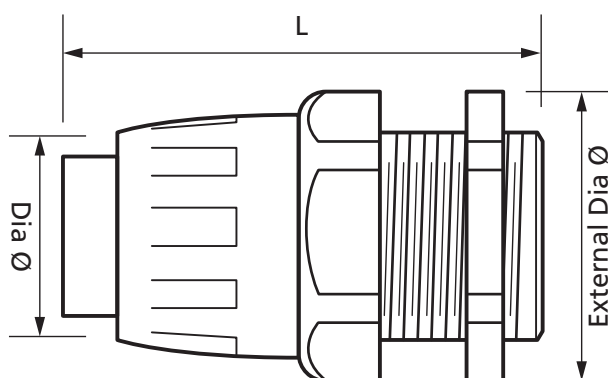

Product Ref: **V25G**

### Technical Features:

- Designed to be used with PVC flexible conduit
- IP65 ingress protection
- Complies with EN 61386
- UL94 V0 Flame retardant
- Complete with locknut

## Product Specification

|                       |                      |
|-----------------------|----------------------|
| IP Rating             | IP65                 |
| Weight                | 0.016kg              |
| Operating Temperature | -20 - +70°C          |
| Flame Retardant       | UL94 V0              |
| Thread Size           | 25mm                 |
| Colour                | Black                |
| Material              | PVC                  |
| Compliance            | UKCA, CE             |
