

Mesh 125 mm H&L GR 120 - 10 pc

POWER GRID MESH SANDING DISCS

- Plastic mesh backing with aluminium oxide open grain for best material removal performance and fine finishing.
- Mesh structure provide for 99% dust free sanding and no clogging. Reduced clogging and dust build-up on work surface leads to best life and better finish.
- No designated hole pattern for quick dust hole alignment and compatible with all competitor backing pads.
- Easy to clean and re-use (wash or blow clean).
- 3x longer life versus standard sandpaper.
- Suitable for all types of metal, wood, paint, plaster, filler and laquer.
- Recommended to be used with a pad saver.
- Power Grid Mesh Sanding Sheets 125 mm are suitable for M18 BOS125 and ROS 125 E.
