

DSC125

115 & 125 MM CUTTING DUST SHROUD

- Tool-free connection to our $\varnothing 115 - 125$ mm M18™ grinders, AG(V) 12 and AGV 15 series
- Enabling tool-free accessory change and shroud angle adjustment
- Keyless depth adjustment from 5 - 28 mm with plunge cutting capability
- Blade indicators on front and rear of the shroud, clear visibility for the user on the cutting line
- Designed to easy fit our MILWAUKEE® vacuum cleaners using our "Click-System" adaptor for a secure fit and superior dust control
