Shockwave HSS-G TiN Red Hex Suitcase - 220 pc

RED HEX - SHOCKWAVE™ HSS-TIN METAL DRILL BITS

Impact rated drill bit with ¼" hex shank optimised for impact drivers.

Titanium Nitride coating dispenses heat and makes the drill bit suitable for use also in high speed.

QUAD EDGE™ Tip: unique combination of 135° split point and four cutting edges: 135° split point allows for precise & fast drilling start without walking. Four cutting edges create smaller chips to prevent heat build up for longer life.

Variable flute geometry: For faster material ejection. Helps the bit run cooler and prevent it from burning out faster.

Enhanced tapered web: Wider core towards the shank of the drill bit. Strengthens the core to increase overall flute durability.
