

SC / SG 27 / 115x1.9x22mm - 1 pc

COMBI CUTTING & GRINDING DISCS PRO+

- Combination of 2 steps in one application: cut with 90° angle, grind with 30° angle.
- Applications: Most suitable for steel and stainless steel. After cutting, typical roughing work such as deburring can be carried out safely and easily without changing discs or machines directly after the cutting process.
- Extra-thin cutting and rough grinding with just one disc. Disc thickness of only 1.9 mm (125mm & 115mm), depressed (27).
- Total safety: built with 3 layers to reinforce the disc.
- Characteristics: Pro+ technology for best lifetime: Hydro-protected against moisture for longer lasting power. Made in Germany.
- *Orders are only possible in master carton with 25pc. Minimum order quantity is 25 x 4932502294 or 25 x 4932502295 (=1 master carton). Order quantities greater than 25 pcs are to be ordered in multiples of 25 pcs (i.e.. 50, 75, 100, ...).

Fits MILWAUKEE®	SC/SG 27 / 115
Article Number	4932502295
Bore size (mm)	22.2
Disc diameter (mm)	115
Pack quantity	1
Thickness (mm)	1.9
