M18 BLCV2-0

M18™ BRUSHLESS COMPACT VAC

- Integrated cyclone separator delivers 9x longer filter life, which reduces the amount of time on the job site maintaining filters
- Ergonomic and balanced design delivers a comfortable cleaning experience
- When paired with a M18™ REDLITHIUM™ battery, the hand held vac gets over 20 minutes of continuous run time
- The highly efficient filter collects 99.97 % of airborne particles down to 0.3 microns and is rated as L class
- 360 degree shadowless LED light to illuminate the cleaning area
- Translucent canister allows the user to easily see when the Vac is full
- Kitted with 2x extension wands, floor tool, extendable hose and crevice tool
