

# Fusing style & performance

Introducing  
**MATT BLACK**

Edge™ | Aspect™ | Albany Plus™

# Introducing Matt Black. Introducing Pristine Design.

Re-imagine your space, turn ordinary into extraordinary with flawless design elegance. Choose sumptuous matt black.

Whether it's the elegance of concealed screws, the minimalist ultra-slim look, or a more contemporary style that you are looking for, MK Electric has a choice of three eye-catching aesthetics, each with a comprehensive range of products so you can create stand out interiors. Combined with over 100 years of product design and manufacturing experience, MK offers renowned quality, reliability and safety.

**MK Matt Black - a perfect fit for any hospitality, residential or commercial project.**

**20 YEAR\***  
PRODUCT  
GUARANTEE

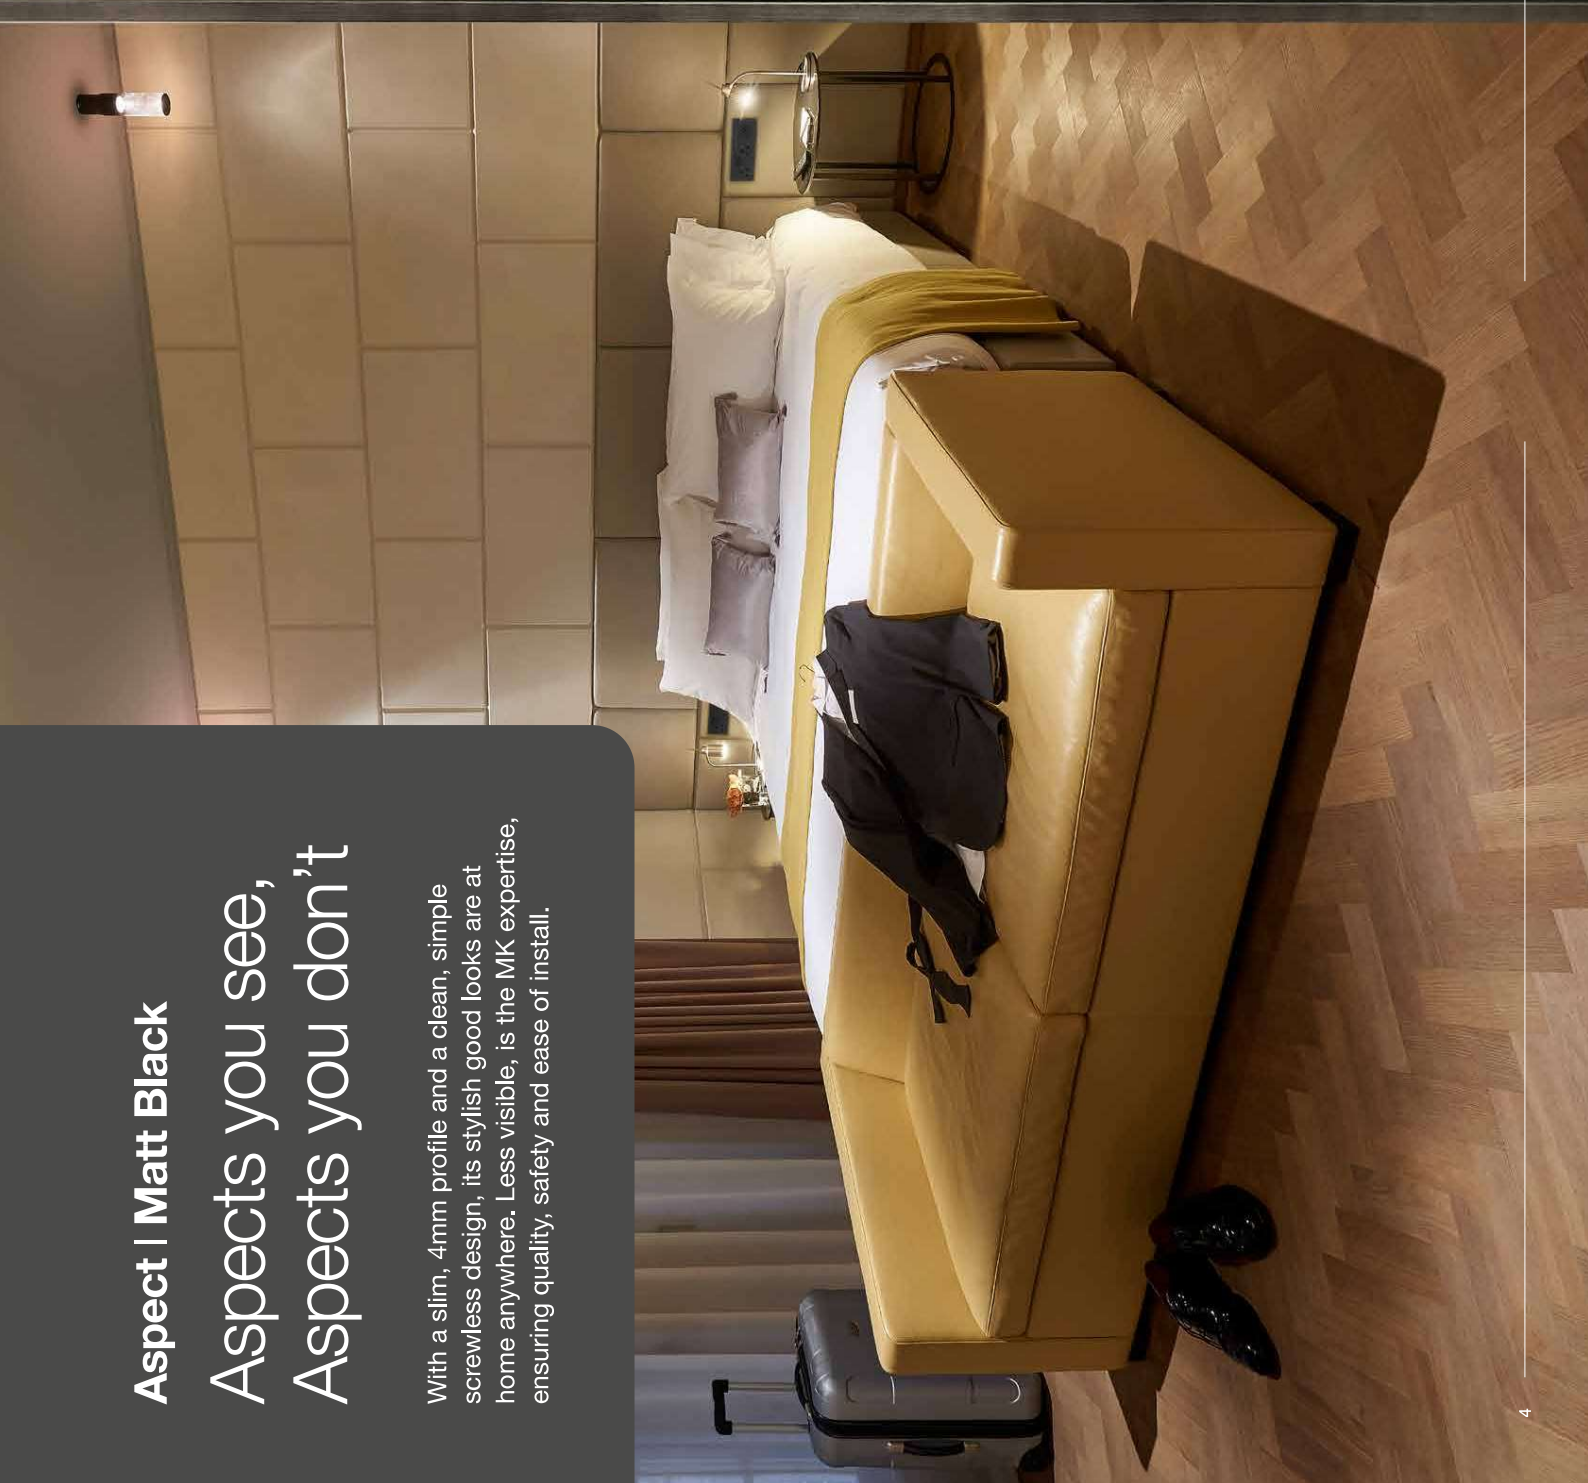

\*Excludes electronic products and subject to terms and conditions

# Aspect | Matt Black

## Aspects you see, Aspects you don't

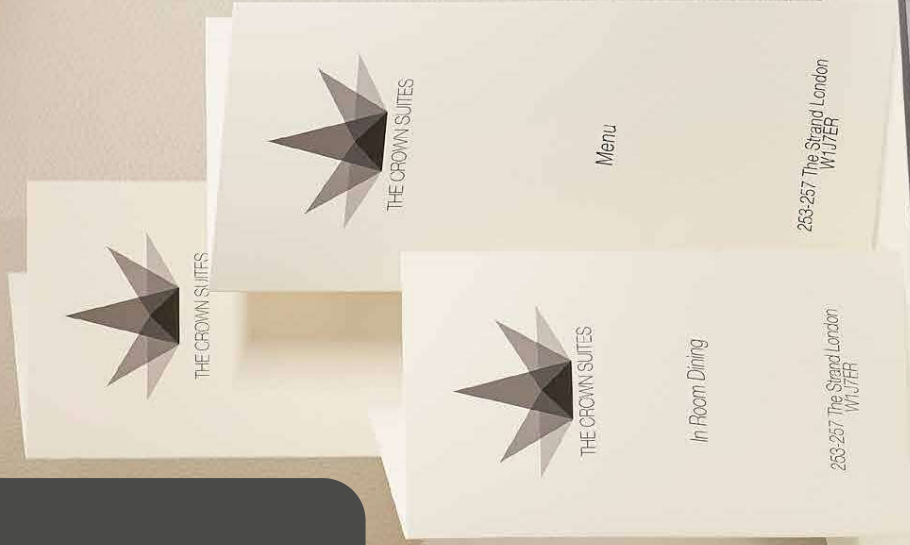

With a slim, 4mm profile and a clean, simple screwless design, its stylish good looks are at home anywhere. Less visible, is the MK expertise, ensuring quality, safety and ease of install.

# Edge | Matt Black

## Give your interiors Edge

Ultra-slim, just a 1.5mm profile with matching flat head screws to give an impressive, yet subtle statement to any space.

# Albany Plus | Matt Black

## A modern twist on established style

Brings total refreshment to a contemporary curved design, effortlessly. Complementing both modern and classic interiors.

## Range highlights

### Fast charge USB

USB A+C 30W switchsockets charge the latest iPhone's from 0% to over 50% in 30 minutes\* utilising Power Delivery (PD) Protocol, which detects charging nuances in the device and its appetite for power, for optimal charging efficiency.

### Trailing Edge LED Dimming

Flicker free and silent dimming, adjustable min/max settings for a smooth dimming range and adjustable switch-on level. No derating or lamp limit - use full 120W.

### Combination Plates

A functional multimedia solution that is easy to install and provides a neat finish, allowing numerous power, data and media products to be presented in a single device.

## MK Design Service

Just products the way you want them, perfect for when only a customised solution can meet your requirements.

Turn an idea into reality, an inspiration into a statement.

**MK's Design Service team can help you achieve your goals.**

### Figure

Add a level of detail to indicate a key function or adds that personal or corporate touch with discreet logos, symbols or text.

### Function

Create features and functionality to satisfy your specific project requirements. From tamperproof features or unique combination plates for hosting a range of outlets our team can help from concept to completion.

\*Based on 3rd party tests conducted on an iPhone 15 Pro Max, iPhone 16 Pro and an iPhone 16 Pro Max. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries and regions.
