

LOCKOUT HEAVY DUTY TAGS

We carry a wide range of 100% Promeg Poly Propylene lockout tags. Lockout Tags are available in packs of 5 or in bulk packs of 100.

Features include; Semi-Rigid 0.6mm Promeg with 10mm brass eyelets for greater strength and increased durability. Tags can be attached with a lockout device or nylon tie.

Promeg has no Plasticizers, no leachable components, no lead, and no heavy metals. All the components in Promeg conform to AS2070 Plastic Parts, suitable for food contact.

They come in packs of five which includes five of tags, five cable ties and a marker pen. Bulk packs come with one marker pen only.
