| <b>200BC2</b> | Busbar chambers | B         | April 2026 | T.T.     |

### Description

4 pole horizontal busbar chamber.  
Steel enclosure.

### Features

High fault level.  
Modern design to latest standards.  
Robust, industrial style chamber for more cabling space.

### General Characteristics

|                               |                                                                                                                                             |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Standards                     | BSEN61439-1.                                                                                                                                |
