

Product Code:

EMIST2

Product Range:

Electricity Meter Isolator Switch

Issue Date:

09/07/2019

Description:

100A DP Electricity Meter Isolator Switch with Type 2 Surge Protection Device

Features:

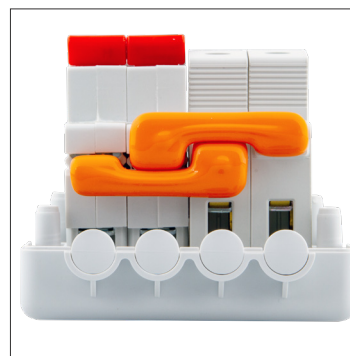

- Meter isolator switch
- Type 2 Surge Protection
- Unique busbar connection
- Lockable cover fixing screws
- Blanks for all cable entries including 16 mm² strain relief function
- I_{max} = 40kA

Technical:

Standard	BS EN 60947-3
Voltage Rating	230 V a.c.
Enclosure Material	High Impact Polystyrene
Colour	Light Grey
Current Rating	100 A
IP Rating	IP 20
Mounting	Surface
Number of Modules	4
Number of Poles	2 Pole
Short Circuit Rating	2 kA
Terminal Capacity (In)	50 mm ²
Terminal Capacity (Out)	50 mm ²

Unique busbar connection:

Dimensions:

Technical:

Height	145 mm
Width	95 mm
Depth	82 mm
