

Quick Overview

Flame Retardant Duct Tape 48mm x 30m, Silver

Features

Nitto Duct Tapes

Nitto 288EFR Flame Retardant Duct Tape is the industry standard for joining & sealing applications and HVAC ducting. Nitto 288EFR is lead free and highly conformable with excellent elongation properties making it the ideal choice for joining & sealing applications.

Nitto 288EFR Flame Retardant Duct Tape

- 0.13mm x 48mm x 30m roll
- -10 to 90°C operating temperature
- Flame retardant
- High conformability
- Pure PVC gives the 288EFR excellent elongation properties
- High chemical resistance & excellent adhesion
- UV resistant & provides an excellent water seal
- General applications: Joining & sealing ducting & polyethylene sheets, light gauge electrical insulation, colour coding & economical utility tape

Details

Part No.	DUCTTAP
Brand	Nitto Denko
Pack Quantity	30m

Unit Of Measure	Roll
Carton Quantity	64
Vendor Part Number	TTAP
Compendium Page #	423
