

FIBREGLASS CABLE PULLING AND FISHING TOOL, 8m

Quick Overview

The Ferret Fibreglass Cable Pulling And Fishing Tool, 8m

Features

The Ferret provides a solution for every worker dealing with cables. If you are an electrician, you probably know the hassle of pushing or pulling cables through ceiling or walls. The Ferret does not bend or buckle, maintains its intended direction, and does not get caught on obstructions along the way. The Ferret is manufactured from glass fibre reinforced polymer.

Features & Benefits

- Hi-tech fibreglass rod pull through
- Easy to uncoil and stays straight
- Makes wiring quick and easy
- Runs cables in wall cavities and confined ceiling spaces
- Allows for one person operation
- Aids in electrical wiring of data cables, antenna cables, phone wiring etc
- Made in Australia
- 8 metres

Details

Part No.	FERELMF-8
Brand	The Ferret
Unit Of Measure	Each
Vendor Part Number	ELMF-8
