DESCRIPTION

The Michigan LED outdoor post uses the latest LED technology to light your outdoor areas. The post light is made from cast aluminium and finished in dark grey for a stylish, modern look, and has 30 energy saving LED's in a stylish cutaway, providing a bright cylinder of light perfect for lighting any contemporary garden. It's also IP44 rated and fully splashproof to protect against the elements. LED's use up to 75% less energy and last up to 20 times longer than incandescent bulbs.
