# Product data sheet Characteristics

## SE250MET

# KQ II B Type Board - incoming devices - contactor - switch - 100A

#### Main Range Acti 9 Product or component-Metering panel kit type Accessory / sepa-Monitoring accessory rate part category Provided equipment 3 current transformer 3 1P miniature circuit breaker (MCB) Bus type Modbus Wiring mode 4 wires

### Complementary

Range compatibility	KQ II B type board distribution board	
[Ue] rated operational voltage	415 V	
Output type	Pulse	
Network number of phases	3 phases	
Network frequency	50 Hz	

### **Environment**

		÷
Product certifications	MID	5

Product Life Status:	Commercialised
