

Technical Specification

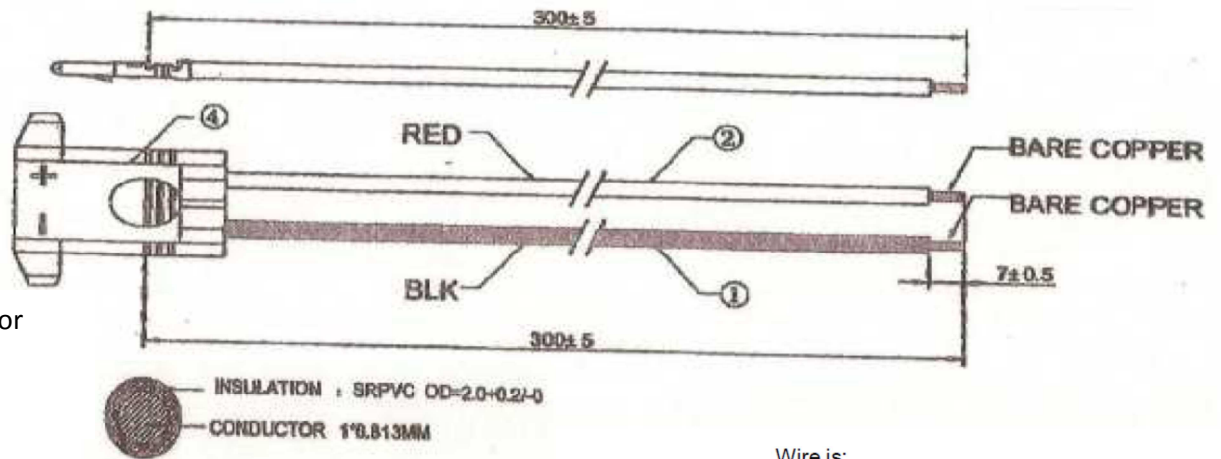

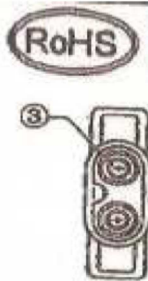

16th November 2012

Produced by F.Cole

Scale/Unit: mm

Part Number: BATT-CON-300

Standard Description: 300mm Red and black battery wire assembly with pin Amp-type housing

Exact style of connector

may vary

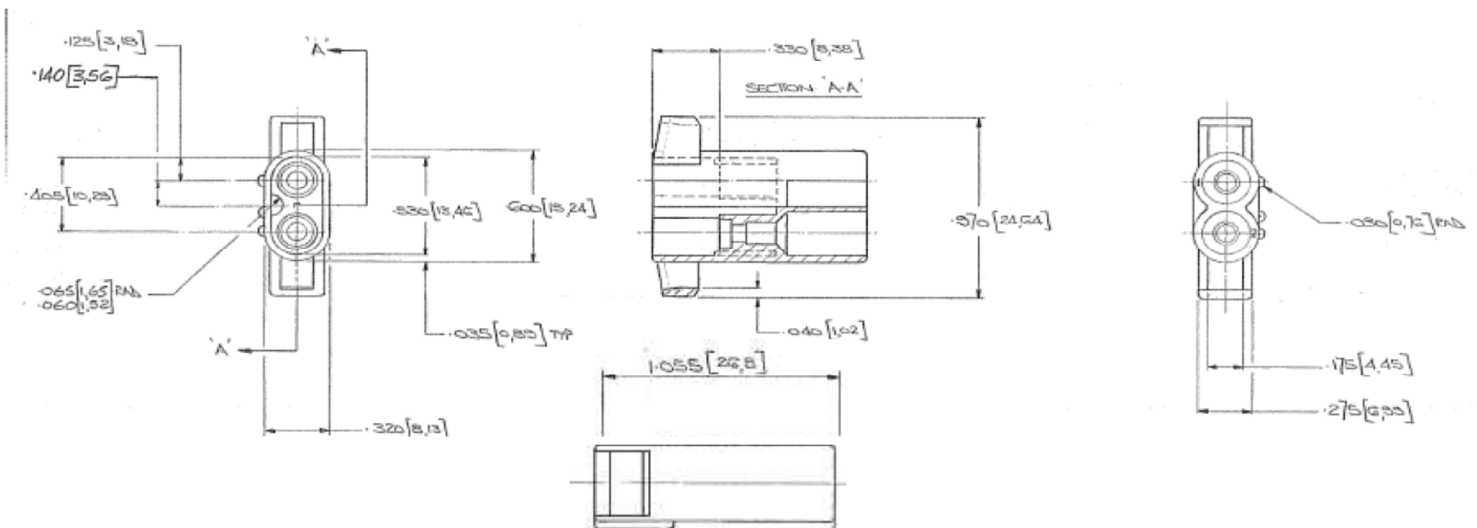

Material List:

1. Nominal conductor 1 ± 0.813 mm OD = 2.0mm conductor PVC colour: Black
2. Nominal conductor 1 ± 0.813 mm OD = 2.0mm conductor PVC colour: Red

3 & 4. Pin Housing Part Number & Specification:

Wire is:

- solid core PVC,
- 20AWG,
- bare copper without tin plate,
- 7mm strip bare copper without tin plate.
- No UL requirement
- 105°C rated wire to be used
